On Tuesday, June 11, at approximately 05:45 hours, the above suspect followed employees from the parking lot into the store before its opening. When an employee attempted to shut the door, the suspect forced his way inside. The suspect displayed a silver revolver and demanded to be taken to the safe. In previous robberies, the suspect also demanded money from the safe and, twice, the suspect successfully obtained cash from the safe. The suspect has always worn the same or similar clothing.

RIVERSIDE: Armed robbery suspects lead chase to Redlands

Two people suspected in a Riverside armed robbery — and possibly numerous other robberies throughout the Inland area — were arrested Monday, July 22, after a chase to Redlands, Riverside police said.

Just after 6 a.m., a man armed with a handgun confronted employees entering the Kohl's department store on Tyler Street, police wrote in a news release. At gunpoint, the man forced the workers into an office and demanded cash, then fled the store in a white Dodge Avenger, police said.
